What you'll do...

About The Finance Team:

A career in finance at Walmart offers endless opportunities to make a difference on a global scale. As the world's

largest retailer, Walmart relies on its finance team to provide insights and guidance on everything from new product launches to operations in emerging markets. If you're looking for a challenge, there's no shortage of opportunities here. You'll use your skills to evaluate new projects, identify risks, and develop financial models. You'll also have the chance to work on projects to help Walmart continue to grow. No matter what role you play on the finance team, you'll make a difference in the lives of millions of people around the world.

What You'll Do:

- **Complete Multiple Audits** throughout the year,
- **Manage Project Deadlines** and update all partners on deliverables,
- **Oversee and Develop Manager and Senior Auditors** while providing real-time feedback on their progress,
- **Communicate Findings** and track the remediation activities of management,
- **Collaborate with Peers Across Global Audit** on audit plan execution, project staffing and associate development,
- **Create and Support Proactive Programs** throughout the department.

What You'll Bring:

- You ideally have 7+ years' experience in internal audit practices, methodology and controls.
- You promote innovation and enjoy developing new ways of working.
- You are comfortable working with large datasets and understand the tools and techniques best suited to the nature of the underlying data and project goals. You can prepare data, build dashboards in Power BI or Tableau, and pull data directly from Google BigQuery to drive impactful insights.
- You like presenting data-driven results in ways that maximize impact and influence decisions, and you can lead others through data analytics approaches.
- You have experience working and collaborating with domestic and multinational teams.
- You are a great storyteller who uses data to maximize impact and influence decisions.
- You break down complex subjects into simple parts.
- You are a pro with automation in financial systems enhancements and tools implementation.

About Us

About Walmart:

Fifty years ago, Sam Walton started a single mom-and-pop shop and transformed it into the world's biggest retailer. Since those founding days, one thing has remained consistent: our commitment to helping our customers save money so they can live better. Today, we're reinventing the shopping experience and our associates are at
