Pharmacist in Charge

Are you passionate about patient care and community outreach? Do you understand pharmacy operations and leading people? Join Walmart as a Pharmacy Manager and lead our team of pharmacists and pharmacy staff to take care of patients in the community. This is a great opportunity to improve patient care and community health.

About Walmart Pharmacy

Our pharmacy team is dedicated to providing comprehensive patient care and ensuring the highest standards of service. As a Pharmacy Manager, you will lead the team to success and help Walmart improve community health and engagement.

What you'll do:

- Provide comprehensive patient care by processing and dispensing prescription orders, administering immunizations, and other programs in compliance with Board of Pharmacy statutes and regulations.
- Ensure effective merchandise presentation, accurate pricing, proper signing, and inventory levels.
- Model, enforce, and provide direction and guidance on proper customer service approaches and techniques to ensure customer needs are resolved within company guidelines.
- Oversee and participate in community outreach programs, encouraging associates to serve as good members of the community.
- Ensure compliance with company and legal policies, procedures, and regulations by analyzing reports, implementing loss prevention and safety controls, and overseeing safety and quality assurance reviews.

What you'll bring:

- Proficiency in working with patients and healthcare providers effectively.
- Expertise in analyzing data to enhance pharmacy performance and patient outcomes.
- Competence in analyzing financial data to make informed business decisions.
- Capability to manage a pharmacy, including overseeing staff and operations.
