Position Summary...

What you'll do...

Are you ready to be at the forefront of patient care and make a impact in your community? As a Staff Pharmacist at Walmart, you will be empowered to share your clinical knowledge and work to the top of your license. This is a great opportunity for those who love talking to patients and advocating for their wellbeing.

[Privacy Policy & Notice at Collection](#)

About Walmart Pharmacy

Our pharmacy team operates in an energetic environment equipped with the resources and technology needed to succeed. We are dedicated to providing quality, heartfelt care to our patients and ensuring their health and wellness. This role is crucial in helping us achieve our goals and make a difference in the community.

What you'll do:

- Provide pharmaceutical care to customers, including processing and accurately dispensing prescription orders.
- Counsel customers regarding healthcare and prescription medication needs.
- Administer immunizations and other programs developed by Walmart.
- Ensure compliance with company policies, procedures, and regulations.
- Model and provide guidance to the pharmacy staff on proper customer service approaches.

What you'll bring:
