Technician, General Facilities Maintenance

[Apply](#) Danbury, CT Full time Posted 30+ Days Ago R-2356565[Position Summary...](#)[What you'll do...](#)

Are you searching for an exciting career opportunity within a dynamic team? Look no further! Walmart is expanding its workforce and looking for a General Facilities Maintenance Technician to join our local, and regional team. If you have experience in this field, we want you to bring your skills to our fast-paced and welcoming environment!

As a General Facilities Maintenance Technician at our local retail store, your role will involve executing routine maintenance tasks to uphold the safety, functionality, and aesthetics of Walmart Stores, equipment, or fixtures. Operating under the supervision of the local General Maintenance Manager, you'll adhere to established maintenance schedules and guidelines, conducting inspections, cleaning, and repairing facilities, equipment, or fixtures.

At Walmart, we're committed to providing exceptional services that enhance the customer experience and maintain our facilities to the highest standards. Join us and be part of a team that values innovation, teamwork, and excellence.

Join us and be part of a team that values innovation, teamwork, and excellence. Take the next step in your career with Walmart, where your expertise and dedication will make a real impact!

About Us

About Walmart:

Fifty years ago, Sam Walton started a single mom-and-pop shop and transformed it into the world's biggest retailer. Since those founding days, one thing has remained consistent: our commitment to helping our customers save money so they can live better. Today, we're reinventing the shopping experience and our associates are at
