[Position Summary...](#)

What you'll do...

The Manager, Advertising Sales - Sam's MAP leads strategic sales planning and execution to drive advertising revenue growth within a complex market environment. This role requires strong business acumen, advanced negotiation skills, and the ability to translate data insights into actionable sales strategies. The position oversees team activities in sales qualification, proposal development, and stakeholder engagement, ensuring alignment with organizational goals. By fostering effective relationships and guiding performance, the manager supports sustainable account growth and delivers measurable business outcomes while upholding company values and compliance standards.

About the team:

The team partners with small and emerging suppliers within Consumables, Health, and Wellness at Sam's Club. They develop and execute comprehensive advertising strategies that deliver seamless omnichannel experiences, enhancing the Member's shopping journey. Focused on collaboration and strategic planning, the team leverages

analytics and stakeholder engagement to drive business growth and optimize advertising outcomes. Their efforts ensure effective supplier relationships and innovative advertising solutions that align with business goals, supporting a best-in-class shopping environment for Members.

What you'll do:

- Lead and oversee advertising sales strategies to drive account growth and maximize revenue within the Sams MAP business.
- Manage and develop relationships with key stakeholders, ensuring alignment of sales objectives and business goals.
- Utilize analytics and market insights to inform sales qualification, forecasting, and strategic planning activities.
- Guide negotiation processes to achieve mutually beneficial agreements while protecting company interests.
- Collaborate cross-functionally to translate business requirements into actionable sales initiatives and solutions.
- Mentor and support team members to enhance performance and professional development.
- Monitor and report on sales metrics to optimize business outcomes and identify improvement opportunities.

What you'll bring:

- Proven expertise in advertising sales with strong negotiation and stakeholder management skills.
- Ability to analyze business metrics and data models to inform strategic sales planning and decision making.
- Experience developing and delivering persuasive sales proposals and presentations tailored to complex customer needs.
- Demonstrated capability in managing supplier relationships and driving account growth through effective business development.
- Strong leadership and team management skills to guide sales qualification and pipeline development activities.
- Proficiency in interpreting financial data and market trends to support forecasting and business case development.
- Excellent communication skills to build and maintain effective internal and external partnerships.

About Us

About Walmart:

Fifty years ago, Sam Walton started a single mom-and-pop shop and transformed it into the world's biggest retailer. Since those founding days, one thing has remained consistent: our commitment to helping our customers save money so they can live better. Today, we're reinventing the shopping experience and our associates are at
